

# Disilock

ELECTRONIC LOCKS FOR OFFICE FURNITURE

## STYLE - CONVENIENCE - SECURITY

DIGILOCK'S UNIQUE FEATURES AND UNSURPASSED QUALITY BRING STYLE AND CONVENIENCE INTO THE WORKPLACE. THE DIGILOCK FURNITURE LINE ACCOMMODATES BOTH SINGLE AND MULTIPLE USER APPLICATIONS, AND WITH THEIR SLIM PROFILE DIGILOCK'S KEYPAD-OPERATED LOCKS MAKE AN ATTRACTIVE ADDITION TO ANY DESK, CREDENZA OR FILE CABINET. USER ACCESS IS DELIVERED THROUGH A FOUR-EIGHT DIGIT USER CODE OR ELECTRONIC KEY, WHILE MANAGEMENT ACCESS IS ASSURED THROUGH ELECTRONIC BYPASS KEYS.

### OEM APPLICATIONS

The innovative design of Digilock ensures quick installation, and accommodates any and all types of OEM furniture with no modification to the existing locking apparatus. Digilock can be configured to accommodate your specific application.

### DEALER APPLICATIONS

Digilock is an easy upgrade and will adapt to most existing office furniture applications with minimal modification. Moreover, Digilock's programmable features eliminate common shortcomings associated with keys.

#### ADMIN KEY

Lock programming is accomplished by touching the Admin Key to the lock and inputting desired User Keys and/or User Codes.

#### OPERATING KEY

Operating Keys are optional, and can be used in addition to User Codes for user or management access.
